

INTRODUCTION TO DELAWARE JOURNAL OF CORPORATE  
LAW VOLUME 47 ISSUE 2

MEGHAN A. ADAMS  
JUDGE  
SUPERIOR COURT OF DELAWARE

I am honored to introduce the second issue of Volume 47 to *The Delaware Journal of Corporate Law*. In Delaware, we are fortunate to have courts that play such a crucial role in developing and shaping the field of corporate law. We are just as fortunate to have such an important publication like the *Journal*, published by the Delaware Law School, which provides thought-provoking scholarship routinely relied upon by Delaware judges and lawyers alike. As a former articles editor to the *Journal* (see 32 Del. J. Corp. L.), I know that the *Journal* consistently attracts the nation's foremost scholars to write on emerging and important topics in corporate law. This Issue is no exception. Congratulations to the *Journal* and its staff for continuing this publication's decades-long tradition of excellence.
